

Curriculum Grid 1

<p>Create a creative response (picture/dance/song/rap) to the following words - Believe Hope Dreams</p>	<p>Give touch typing a try here: https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr</p>	<p>Create a Super Hero and act out/create/write/record a story to share how they discovered they were a super hero. Think about:</p>	<p>Aboriginal art is art made by indigenous Australian people. Research Aboriginal art to discover how images can be created using dots. Can you create your own piece of Aboriginal art?</p>	<p>Google need some more daily designs for their website. Can you create a new one.</p>
<p>There are currently lots of resources to keep pupils busy during the school day. Joe Vicks, David Walliams, Myleen Klass and more. Watch some of these and undertake the activities.</p>	<p>At the start of this term BBC School radio will be releasing lots of programmes and podcasts. Listen to some of these. Take notes and recommend these to pupils in your class.</p>	<p>What are their powers? What are their names? What is their story? Who do they help?</p>		<p>Using books or ICT, research the British monarchy. Create a family tree including as many people in line to the throne as possible.</p>
<p>There are lots of Science, Technology, Engineering and Mathematics (STEM) activities you can do at home. Have a look at the grid below. How many can you do? I know there are lots you can't do YET. Remember stay safe and follow Social Isolation guidance. https://tinyurl.com/fetstem</p>	<p>I would like to create a class quiz to do on Kahoot. Create 5 questions that other people in the class have a chance of getting right. Include 4 multiple choice answers underlining the correct one. Send these to me by the 9th of May. I will choose some of these questions to use in the quiz.</p>	<p>We all have things in our house we no longer use. Create an advert to try and sell one of these objects. Your advert can be a poster, song, video or any other suitable format.</p>	<p>Tips to teach yourself! During this time everyone in your house will probably be busy. For one hour could you create some advice for other pupils in your class how they can work on their own. You must do this on your own without adult assistance.</p>	
<p>While you are learning from home there will be a number of religious holidays. Pick one of these and carry out some research. https://www.interfaith-calendar.org/2020.htm</p>				
<p>While we are in social isolation we all need to set personal challenges. Set yourself a challenge and stick to this. Write down your personal challenge in your jotter then recording your progress. (My challenge is to run 75 miles on my treadmill this month)</p>	<p>In Fettercairn and the surrounding area we have some great countryside with a lot of trees. I would like you to sketch a tree. You can either create your own tree or use one in the surrounding area for inspiration. If you wish you can use the link below to help: https://www.wikihow.com/Draw-a-Detailed-Tree</p>	<p>While we are in social isolation James is going to the shop twice each day and is going for two forms of daily exercise each day. He says he is staying away from people so it is okay. Do you agree / disagree with him? Write a letter to James telling him what you think he should do. Make this letter as convincing as possible.</p>	<p>Create a timeline of important events that have occurred since you were born. There will have been lots of important events since you were born. You can decide which ones you want to include in your timeline.</p>	<p>Joe Blogs was in an accident in November. He was hurt and for 6 months was in a coma. He has just woken up. The Doctor say he should make a full recovery. The hospital he is in doesn't have tv, radio or access to the internet. Write a letter to Joe explaining what has gone on in the world while he was in the coma.</p>
