

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
<p>Spelling Activity -</p> <p>Use the sounds below to create 10 words of your own. Check your spelling is correct! Complete a grid activity and practise these throughout the week. I would like you to get someone to test you or test yourself on Friday.</p> <p>Purple - ur Orange - au Green - intra Red - cosm</p> <p>Spicy Extension - Write a conversation between two people using as many of your spelling words as possible.</p>	<p>Comprehension Activity -</p> <p>Using your personal reader or a novel from home answer the questions below.</p> <p>1. Which character in the story would you most like to be? Explain your answer.</p> <p>2. Find any 10 words in your book. Now put them into alphabetical order.</p> <p>Spicy Extension - Find 10 adjectives in the text and write them down. Make up some interesting sentences. Try to include 3 adjectives in each sentence.</p>	<p>Grammar Activity -</p> <p>Today we are going to practise apostrophes. There are 2 types of apostrophe - one is used for contractions. It shows where a letter (or letters) are left out when joining words.</p> <p>Example - you + are = you're The apostrophe has taken the place of the letter removed which is a.</p> <p>The 2nd use of an apostrophe is to show possession (that something belongs to somebody or something).</p> <p>Example - The cat's tail shows the tail belongs to the cat.</p> <p>Activity - Look at web links and complete Tasks 1-3 from PowerPoint presentation.</p> <p>Spicy Extension - try Task 4 from PowerPoint presentation!</p>	<p>Writing Activity -</p> <p>Read the start of the story Tom's Terror. Your task for today is to finish the story.</p> <p>Think carefully about the how the story is written and continue using this style.</p> <p>Before you start I would like you to come up with your own Success Criteria. Pick 3 targets for yourself. Once you have completed your story go back and compare. Have you met the success criteria?</p>	<p>Day to be used to finish activities.</p>

<p>Numeracy Activity -</p> <p>We are going to focus on addition and subtraction</p> <p>A maths PowerPoint presentation for the week will be posted on Monday. Choose one of Mild, Spicy or Hot questions to complete.</p>	<p>Numeracy Activity -</p> <p>Continue with the questions then create some questions of your own to ask your classmates. Post these in <i>Google Classroom</i>.</p> <p>Remember you do not have to complete all the questions. If you are confident with the concept move on to the problem-solving activities.</p>	<p>Numeracy Activity -</p> <p>Complete the problem-solving activities from the PowerPoint presentation.</p>	<p>Numeracy Activity (Shape, position and movement)</p> <p>This year we have completed a number of lessons on 2D shapes. What can you remember? Choose one of the challenges below and complete.</p> <p>Mild - Pick 5 or more 2D shapes, draw and name them. Can you draw a picture and include these 5 2D shapes within them.</p> <p>Spicy - Pick 5 or more 2D shapes draw and describe them. You could use some of the following words regular, irregular, diagonal, radius, diameter and circumference. If you don't know what they mean look them up</p> <p>Hot - Pick 5 or more 2D shapes, describe them and state any 3D shapes you might find them in.</p>
