

Monday	Tuesday	Wednesday	Thursday	Friday
<p>Literacy Phonics - We are learning Tricky words. Go over the list of words to check which ones you know. Cut out the tricky ones and practise reading them, you can write them in your jotter in rainbow colours. You can write them with chalk on the pavement and then run to the one an adult tells you. To help you remember look for patterns (rhyming – no go so, smaller word inside another – the in they) Practise them every day. Have you got better by Friday?</p> <p>Reading (books for the week sent on Monday)</p> <p>Numeracy Revision of Addition, Subtraction and Beyond number</p> <p>I can work independently. Can you complete 15 questions all by yourself? (You should only need help with question 8 and 15)</p> <p>The grid</p>	<p>Literacy Comprehension Watch Soar short film and talk about it. Complete See/think/ wonder sheet. You can do it in your jotter.</p> <p>Keep practising tricky words</p> <p>(Let your child be a teacher and give you a spelling test. Make some mistakes, so your “teacher” can correct you!)</p> <p>Numeracy More Revision Work will be sent the day before</p> <p>The grid</p>	<p>Literacy Writing- I can label my drawings. Design a plane to carry Floppy. Use the ideas from the film. Make the plane “dog friendly” . Label all special features (wings, wheels, propellers, windows, passenger seat, maybe even doggie treats!</p> <p>Reading</p> <p>Numeracy Maths in real life</p> <p>Read the questions and work out the answers!</p> <p>The grid</p>	<p>Numeracy Capacity Now it’s time to use your measuring skills in baking! We are still concentrating on the language [full/half full etc] so we’re measuring in cups. Cheese muffins You will need 12 muffin cases Heat oven to 180 degrees [fan oven] Stir together in a large bowl- 1 beaten egg 2 tablespoons oil 1 ½ cup grated cheese ½ small onion diced [ask for help with this] ½ cup milk Gently stir in 2 cups of self raising flour and a pinch of chilli. Spoon into cases. Ask an adult to help with the oven. Bake for 25 mins</p> <p>Yoghurt Loaf This recipe uses the yoghurt pot to measure with. Heat the oven to 160 degrees [fan oven] Grease a loaf tin, and line base with greased greaseproof paper. Mix in a large bowl - 1 carton of yoghurt [any flavour] 3 cartons self raising flour 2 cartons caster sugar ¾ carton oil 2 eggs Put into loaf tin. Ask an adult to help with the oven. Bake for about 50 mins.</p> <p>Literacy Handwriting Capital Letters E, F, H, I, T and L. Sorry this is a lot today, but that’s us covered them all now ready for the start of P2! Remember to check the sizes and shapes, capitals always sit on the line and stretch right to the top. Worksheets to be uploaded. Challenge! Can you write the whole alphabet in capitals now? Make it as neat and colourful as you can. Ask a parent to check you are forming them correctly.</p>	<p>Finish and send in</p>
