

<u>Monday</u>	<u>Tuesday</u>	<u>Wednesday</u>	<u>Thursday</u>	<u>Friday</u>
<p>Spelling Activity -</p> <p>Use the sounds below to create 10 words of your own. Check your spelling is correct! Complete a grid activity and practise these throughout the week. I would like you to get someone to test you or test yourself on Friday. (Purple and Orange groups have same sound as last week so try hard to find 10 more words).</p> <p>Purple - ar Orange - ir Green - bi Red - duc</p> <p>Spicy Extension - Write a riddle for each of your words. Don't forget to answer them. Example: I am grey. I have a trunk and big ears. Answer: Elephant</p>	<p>Listening/Talking and Comprehension</p> <p>Activities - Use the weblink to view a short animation called Soar by Alyce Tzue. https://tinyurl.com/fetsoar If possible, discuss the story with someone at home. Activity: Complete See, Think, Wonder</p> <p>Spicy Extension - Mara's dream is to become an aircraft designer. But every time she test flies her model planes they crash.</p> <p>Do you think she should just give up? Explain your answer.</p> <p>Can you relate Mara's experience to a time in your own life when you showed determination and refused to give up? It might be learning a musical instrument, playing a sport, or keeping up with your schoolwork during lockdown. Describe your experience in words, pictures, or a cartoon strip.</p>	<p>Grammar Focus -</p> <p>Today's grammar focus is on alliteration. Alliteration is when words that start with the same sound (not just the same letter) are used repeatedly in a phrase or sentence. Alliteration can add description, humour and energy to your writing and is often found in poetry and even advertising!</p> <p>Examples: The caterpillar crawled carefully on the curly cabbage leaf. Coca-cola, Krispy Kreme</p> <p>Activities - Read through the Alliteration Power point and complete task A, B, C. Spicy Extension - See last slide for weblinks to an activity based on "Bleezer's Ice Cream" By Jack Prelutsky. You need to create alliterative names for ice-cream flavours and include them in some artwork. Hopefully it's a bit of fun too!</p>	<p>Literacy Activity -</p> <p>Writing a script - What do you think the characters are saying to each other?</p> <p>Watch the short film Soar again carefully and write a script. You can do this for a part or all of the short film. https://tinyurl.com/fetsoar</p> <p>I have attached some examples of scripts in Google Classroom. You will notice for this:</p> <ul style="list-style-type: none"> • You don't need inverted commas • Every time a new person speaks you take a new line • You can include stage directions <p>What you are aiming to do / Your success criteria is:</p> <ul style="list-style-type: none"> • Make it interest • Good spelling • Follow the rules of a script (Use the examples to help) 	<p>Day to be used to finish off activities.</p>

<p>Numeracy Activity -</p> <p>We are going to focus on information handling.</p> <p>Read through the maths PowerPoint presentation for this week and choose one of Mild, Spicy or Hot questions to complete.</p>	<p>Numeracy Activity -</p> <p>Continue with the questions then create some questions of your own to ask your classmates. Post these in <i>Google Classroom</i>.</p> <p>Remember you do not have to complete all the questions. If you are confident with the concept move on to the problem-solving activities.</p>	<p>Numeracy Activity -</p> <p>Complete the problem-solving activities from the PowerPoint presentation.</p>	<p>Numeracy Activity - Outdoor Maths</p> <p>Take a walk through one of the many lovely woodlands that are easily accessible in our area.. This could be Inglismaldie Woods, Denlethen Woods in Laurencekirk, Fettercairn Estate, The Blue Door walk near Edzell or any other country area.</p> <p>It is a good idea to have a small notebook to record your investigations in, you could make your own using a few sheets of A4 paper folded in half. Click on the link below for some maths investigation ideas:</p> <p>https://tinyurl.com/fetoutdoormaths</p>
